

LIST OF CONSULTANTS

Purpose

Attached is an alphabetical listing of Consultants who offer a range of services to clients who are seeking to apply to the Training and Employment Recognition Council to register as a training organisation, amend their registration or who wish to submit an application for the accreditation of courses in Queensland. Consultants are also available to provide assistance to registered training organisations (RTOs) for continuous improvement activities.

Qualifications/Experience of Consultants

The Consultants are self-identified. VETIG **does not claim** that these consultants are qualified to provide assistance in relation to the nor does it claim that they are the only consultants capable of providing assistance in relation to the

Role of the Consultant

The engagement of an Consultant is optional and their selection is at the discretion of the client. The Training and Employment Recognition Council and the Department of Employment and Training do not require applicants to engage Consultants and do not provide any guarantee that organisations that engage the services of consultants will be successful in their applications to the Training and Employment Recognition Council.

Reimbursement of Consultants

VETIG does not set fees for Consultants' services. The client and Consultant must negotiate fees, which will be determined commercially.

Disclaimers

The consultants on this list are **self-identified**. VETIG **does not** provide any guarantee that organisations that engage the services of these consultants will be successful in their applications to the Training and Employment Recognition Council. At the time of their inclusion on the list, all consultants claimed to have appropriate insurance arrangements in place. Currency of these arrangements cannot be guaranteed by VETIG and all clients should satisfy themselves as to the currency and coverage of the consultant's insurance arrangements prior to engagement.

VETIG disclaims all responsibility and all liability to you or any other person for any loss, injury, damage, costs, expenses or compensation of any kind arising directly or indirectly out of or in connection with any act or omission of VETIG in relation to this publication, without limitation.

The information contained in this document is subject to change without notice.
